

SMP Home Care

Quality in Home Care

SMP Home Care is a leading provider of home care services for seniors.

SMP Home Care assists seniors with maintaining their independence and continue to live at home - whether it is help with shopping, personal care or a visit to the doctor, SMP Home Care helps our seniors to manage for themselves.

SMP Home Care - Staff:

Our carers have Certificate III in Aged Care, Senior First Aid, Manual Handling Certificates and a National Police Clearance.

All carers are trained and qualified by SMP Training Centre, a leading Nationally Accredited Training Organisation specialised in Aged Care.

In addition to their qualification and careful selection process, SMP Home Care personnel are also fully insured for all services given.
